

## COVID-19 Vaccines for Homebound Patients

Do you have a patient who has been unable to obtain their COVID-19 vaccine due to being homebound? The Durham County Community Paramedics can help!

### Eligibility Requirements:

- Must reside in Durham County
- Must be unable to safely access the COVID-19 vaccine outside of their home due to health or mobility concerns

### How to refer:

Please e-mail Elissa Nickolopoulos, MSW, LCSW-A ([elissa.rumer@duke.edu](mailto:elissa.rumer@duke.edu)) with the following information:

- Patient's name, MRN, allergies, preferred phone number, and alternate contacts (if applicable)
- Documentation of patient's verbal consent for referral must be documented in patient's chart prior to making the referral
