

NEED HELP WITH YOUR **zoom** INTERVIEWS?

In response to COVID-19, we will transition to virtual interviews for our non-nursing job openings. Our Central Recruitment team is here and available to provide assistance with setting up virtual interviews. Virtual interviews will be scheduled through Zoom Video Communications. If you or your department is interested in taking advantage of this support, please contact your assigned recruiter and provide the following information in an effort for them to assist accordingly:

- ① Candidate's Full Name
- ② The Requisition Number That The Candidate Is Being Consider For
- ③ The Name Of Each Person Who Will Be Involved In The Interview
- ④ Manager's Availability

HELPFUL TIP:

Assign 1-2 members of your leadership team to facilitate the interview and selection process. These team members will be responsible for ensuring the hiring process continues to move forward.

Zoom Communications is a remote conferencing services company using video, voice, and screen sharing for on-line meetings with colleagues and interviews with candidates just down the street or around the world. Zoom Meetings can accommodate up to 300 participants who can participate via phone, computer, mobile device, or video conferencing.
